

PCEP Canton United Alpine Ski Team

The **PCEP Canton United Alpine Ski Team** is a co-ed high school varsity program serving student-athletes Canton, Salem, and Plymouth high schools. Our athletes train year-round and compete across Southeast Michigan, representing our schools and community with discipline, teamwork, and sportsmanship.

With strong growth in the program and increasing participation, we are seeking **local business partners** to help support our athletes and keep the program accessible to all.

Business sponsorships directly help fund:

- ✓ Race equipment (gates, bibs, timing support)
- ✓ Team gear and uniforms
- ✓ Training resources and coaching support
- ✓ End-of-season team banquet and awards
- ✓ Reduced costs for student-athletes and families

Your support makes a visible, meaningful impact on a student-centered athletic program!
